

TOWN OF NATICK MASSACHUSETTS

***CHARLES J. SISITSKY
DIRECTOR***

STREET OPENING PERMIT REQUIREMENTS

1. \$5,000 dollar insurance bond or cash bond for a period of one year from the date of excavation (minimum).
2. Liability insurance with the following:
 - a. \$2,000,000 liability
 - b. \$2,000,000 aggregate liability
 - c. The Town of Natick named as an additional insured
 - d. The Town of Natick named as the certificate holder
3. The Dig Safe Number for the specific work done in the street.
 - a. There must be a 72 hour waiting period (Saturdays, Sundays and holidays not included) after Dig Safe is notified before any excavation can take place.
4. A check made out to the Town of Natick for the Street Opening Permit fee. The permit fee will be calculated using the following formula:
 - a. \$200 for the first 30 feet of roadway affected
 - b. \$50 per additional 50 linear feet of roadway affected
5. All work shall be done in accordance to the Town of Natick Rules and Specifications Regulating Street Excavations adopted March 9, 1998 and amended April 9, 2007 on file in the Engineering Office at 75 West Street, Natick, MA.
